

# Facade SQUAD

### What you need to know...

The FAÇADE SQUAD is a paint and small project program that assists business and property owners in minor repairs and painting of their facades. This is an ongoing project that we will undertake one or two times annually. The next Façade Squad is scheduled for Fall 2013.

We are looking for projects with high impact, so talk to the businesses next to yours and see if they would like to participate also. Several businesses together have a higher priority for selection.

### What we do...

Clovis MainStreet will review the applications and make selections based on the amount of funding we have to complete different projects. If you are not selected in this round, don't worry! We plan to do another round next year.

We will help provide supplies, equipment, and volunteers for the project. We will also work with NM MainStreet to provide architectural assistance in color selections and renderings of the proposed improvements to the façade.

### What you do...

Fill out the application on the right and drop it off or mail it to 621A Main St., Clovis, NM 88101 OR fax to 866-216-3229.

If selected, you will need to be available to make decisions regarding prep work and paint colors prior to the day of the Façade Squad and be present the entire day of the event to help with the work on your property and the others that are selected. Feel free to invite your friends and family to participate.

If not selected in this round, come on out and volunteer to help make a difference in our downtown!

**QUESTIONS?** Call Clovis MainStreet at 309.8370 or email [clovismainstreet@gmail.com](mailto:clovismainstreet@gmail.com).

## APPLICATION

Questions regarding the completion of this application or the eligibility of your project? For answers, call Robyne Beaubien, Clovis MainStreet., Inc at 575.309.8370.

Applicant's Name

Business Name
